The purpose of A Day of Traditional Driving is to preserve that style of carriage driving of bygone days which encompasses horsemanship, driving acumen, care and preservation of carriage and harness, and the intangible qualities of good sportsmanship.

The event will be held at Stratford, Texas. Stratford is 80 miles North of Amarillo, Texas on US 287. Come join us in the Panhandle of Texas, where you will find bright stars, clean water and a warm welcome in the rolling plains of Sherman County. Put on your driving duds, polish your brass or chrome, shine up the harness, and come along for a day of driving fun, with a little competition thrown in.

Saturday includes three phases: a Turnout Inspection, a Country Drive, and Cones. All types of carriages are accepted. The entry number must be clearly visible on the carriage. The driver must carry a whip throughout the day while driving. All work is done on an individual basis.

A Day of Traditional Driving is based on a score of 100, broken down into 60 points for the Turnout Inspection, 25 for the Country Drive, and 15 for the Cones phase. **Note: Participants will be eliminated for unsafe or reckless driving.**
